

VOLUNTEERING

Description of Volunteer Responsibilities

Job Description:

Volunteers are utilized by ETWWF to perform a number of duties including (but not limited to): leading tour groups, assisting at the casting ponds, etc. Both indoor and outdoor opportunities exist.

Time Commitment:

Flexible schedule, during regular working hours of 8:00 a.m. – 5:00 p.m. Possible extended hours during special events.

Skills & Experience:

Good “people” skills; general knowledge of science; a good work ethic.

Training:

Depending upon the volunteer opportunity, training will be provided as needed.

Benefits:

- Work experience with a non-profit conservation agency; letter of reference and verification of experience/hours will be provided upon request.
- Personal enrichment and satisfaction in promoting conservation of Texas' natural resources.
- Knowledge and experience in managing aquatic environments.
- Knowledge and experience in diagnosing and treating fish pathology.
- In-depth understanding of water quality and water chemistry parameters.
