

# NDG 502

Don't be fooled by the traditional country appearance of this **Nelson Design Group** home. Inside you'll find **exciting angles**, a unique use of available space, and enough open area to host the little league team dinner. Coming in from the Garage, the kids have their very own Nook to keep track of their stuff. The **uniquely-designed Kitchen** is capable of serving any living area in the house, including the nearby Grilling Porch. The fireplace in the Breakfast/Hearth Room is centrally located so it also warms the Living Room. **Walk-in closets** accompany all four Bedrooms while two of the three secondary Bedrooms boast private Bathroom entrances as well.
