let's talk text message fraud

Signs of text message fraud

1

Unknown or Strange Number

FSB will never text you to ask for information. We will only text to provide certain alerts. If an action is needed, we will always ask that you call us at **(903) 676-1900**.

2

Ask you to log in

We will not ask you to log in to verify information.

3

Odd grammar

Make sure to double check for spelling or grammar errors. These errors can be a good indicator of fraud attempts.

4

Scare Tactics

Action must be taken within a short amount of time with unnecessary consequences.

5

Provides a link to open

Always look at the link provided. Use caution before clicking any links.

If you ever get a text that does not seem right, please do not respond or click any links. Instead call us at (903) 676-1900 or visit any of our branches.
