Attention Mr. Robert Edwards,

Please allow me to take a moment and thank you for the excellent service JJ Red Roofing performed at my listing located at 10136 Rita Road in Dallas Texas. As a realtor my business is run 100% from referrals so it is imperative that when I refer a vendor to a client they are treated with the utmost professionalism and quality of service. JJ Red Roofing at the "eleventh hour" replaced my client's roof when several other companies said it couldn't be done at such late notice. JJ Red was timely, workmanship was excellent and most importantly they left my clients home in the same condition as when they arrived. I thank you so much for your thorough communication with me and please know that JJ Red Roofing will be at the top of my vendor referral list!

Sincerely,
