News Letter # 146 (Jan & Feb. 2023)

March 01, 2023

Dear Pastor & Church, Greetings in our Lord's all sufficient grace.

"These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world." John 17:33.

Once again, I can say, it is very sorrowful that this incredible country is still passing from bad to worse continually. The corruption of the politicians for the past years had already led the country to be in an extreme chaos as it is still today. To revive the country from this bad and corrupt situation needs a miracle by God only. The situation is becoming more and more complicated. Crimes, theft, robbery etc. ... are still taking place in this devastating country. Besides poverty, lacking of many essential medicines, and lacking of electricity etc... Only electricity had improved a little bit. From October 2022 up till now, no new president has been elected yet. This is another tragedy which added to the agony of the Lebanese people and the cost of living became much more higher than before. So then, the situation is becoming more and more complicated. The poverty in Lebanon became around 80 per cent.

Our evangelism ministry for adults and children is still going on in the area where the massive explosion took place at the port of Beirut, the capital of Lebanon, which resulted around 300,000 people were displaced from their homes besides 135 persons were killed, and 5000 were injured etc... **This new door for evangelism and discipleship is still effective.**

What is remarkable also is the major attendance in our ministry and those who got saved were females. This situation may create some problems as far as the body of leadership are concerned. It is fully understood that according to salvation of souls, No difference between male and female, all are equal in Christ, but when it comes to positions, preaching, and other kinds of ministries, it makes a difference as you know very well. **That is why we need your prayers in this aspect.**

ACTIVITES

Our remarkable activity of evangelism is still active in that area of our ministry. Where the massive explosion took place. Preaching the Gospel of salvation is still our main course. Lately several people stopped attending our services because some of the fanatic Muslims started their persecution by preventing their families to attend any of our services. So then, the spiritual war became more serious, simply because our great enemy started to lose some souls who have been converted to our Lord and Savior Jesus Christ.

Prayer Request

- 1 - Please pray for our **new ministry** in Carantina area. (near the massive explosion)
- 2 - Please Pray for our Evangelical Ministry in Alnbaa area (suburbs of the capital).
- 3 - Please pray for the situation in Lebanon. Very high percentage are under the line of Poverty, and many of Physicians, nurses, and specialists, besides some Christians left the country for living and better life.
- 4 - Please pray for us for health, wisdom, guidance and protection.
Thank you very much for your prayers, concern, love, and support,

Abdou & Siham Issa.
