Dear Brothers and Sisters in Christ,

It has been a frustrating situation this summer after accomplishing my medical needs and having our country shutdown. Our flights have been canceled three different times to our home and the mission work in Hawaii. We gave up on that option after quite some time and were able to get a flight to Alaska, and are now with our home sending church. It has been a blessing and we are enjoying our many loved ones here! We now have again a reservation on a flight to Hawaii on the sixth of October. We are again praying that this flight will not be canceled. Please pray with us that the Lord will get us back to our ministry and work in Hawaii!

I am doing much better now after healing up from the operation to take out a portion of my lower large intestines while in Arizona! I praise the Lord for His grace and care! Medical costs are much cheaper and my insurance is accepted here "in the States" as we say in Alaska and Hawaii. Sadly there in Hawaii they do not.

I also went to another doctor in regards to what I had been told by my wife and her parents that I have sleep apnea and it was confirmed by a sleep test that I did and put me on my very own CPAP machine.

While we have been gone, we have been in regular contact with the mission work. On Wednesdays we conference call and pray together and encourage one another. Also, Bro. Travis and Bro. Paul and their wives Laurel and Chrissy along with sister Tanya and others of the folks of the mission work while we were gone and accomplished our first vacation Bible School! It was a great success with 26 children attending! What a blessing! I praise my Lord for His work and wonderful blessings and for the brothers and sisters there at the mission work and their desire to take time off from their work to put on the first Bible School for the children of our community! Brother Travis was just the other day showing me the pictures of the children and their activities. I praise the Lord for He is so Good and Gracious!!!! There have been two new families coming to church services since that time. I praise our Lord for these wonderful blessing!!!

While here in Alaska waiting, Annette and I had the opportunity to go out with some of our family and loved ones into the high country of Alaska. What wonderful fall colors were beginning to show forth from green to yellow and to orange and red! God's creation is still the greatest art of all!!! Praise our Heavenly Father, only He is able to bring to be such wondrous and glorious things!!! It is very different here than in Hawaii, things are always green there for the most part! Much more warm there too!

May our Wondrous God bless you all abundantly above all that you ask, or think through Jesus Christ our Lord. Please, pray for us that we will be able to fly out on this new fight and that it will take us all the way thru to our Island without cancelations or delays!!!

Thank you all so much for your faithfulness in praying for us, caring for us, supplying for us, and showing us God's love in your hearts for us, and most of all your love for lost souls! I thank our Lord for you and pray that our Lord will bless you all with eternal blessings!

In His service,      Tim and Annette Chace
