These see the works of the Lord, and his wonders in the deep. For he commandeth, and raiseth the stormy wind, which lifts the up the waves thereof. They mount up to heaven, they go down again to the depths:.....Psa 107:24-

Dear Brothers and Sisters in Christ,

As the volcano finally began to subside, the hurricane Hector came along and cleared the air of the "Vog" and washed away ash that would be on our vehicles each morning. It did this even though it was quite a distance south from our island. It was a nice change to see clear skies and smell clean air again. But, Now we have hurricane Lane that has come close enough to dump much rain and elevated the wind drastically. We were able to board up our windows before the wind picked up, so we are hunkered down waiting out the the effects of the storm to subside. I am thankful that we are only getting the effects from the outer portion of the storm rather than the central area of the storm, even at that, there are many areas that have much flash flooding going on. We had to cancel mid-week services this week for the safety of all that normally come. We are expecting the storm to continue through the week. It is quite an experience to a newbie to the Islands like me! Forty below in Alaska is one thing, but having your house pounded with winds and rains is quite extraordinary! We truly serve an awesome Lord God! He speaks and this old earth obeys His commands. I for one am very thankful that it has not got as serious as it could've have been so far. It also has given me a good opportunity to write my much needed report letter as well!

All the paper work is done and signed for the property and we have made the first monthly installment payment. So, we are on our way as the Lord leads and provides to eventually have a place and our own building to meet in whenever we need or want. I praise the Lord for his provision! I know all this is down the road but it is exciting to see each step of progress and look forward to his blessings as we serve him here! We will be carrying a note for ten years a around 700.00\$ a month and we put 15,000.00 down and then closing cost was around two thousand more. We are so thankful for each church in the past years and that have helped in this endeavor. With what the Lord has allowed us to gather here and with all the special love offerings we were able to do this; may God get the Glory!

This summer I developed an abscess tooth and went to a dentist to get it taken care of. I hadn't been to a dentist for major work for a very long time. I was quoted a price of \$1,600.00. This tooth already had an old crown, well, I thought that price included root canal and crown. (Silly me) God is good and so are his saints. I received a call from Highlands B.C. , Colo. Asking if there was something they could help me with any need and I told them about the dentist appointment and the cost and that I had \$500.00 available, so they sent the remainder for the work. What a wonderful blessing! Praise God and his saints in his churches! So, when I went to that dentist and had the root canal done I was surprised that it was just for the root canal, and I needed to go another dentist to redo the crown, and I would need to do that before 30 days so the temporary filling wouldn't fail! I knew that I would not have that much to give out in that short of time! God is so gracious and already had a plan in place for in spite of mine ignorance. I received a letter from Amelia Central B. C, OH, telling about their vacation Bible School had collected over \$1,000.00 which they had decided to send it to me! God is so good, I was able to get the crown work done and had enough along with their offering to pay the other dentist off in full too! Praise the Lord, from whom all blessing flow! I again want to thank these churches for their very special offerings that came just at the right time!

I have another great blessing to tell you about that the Lord did through my sending church in Two Rivers, Alaska. Two different families gave of their airlines miles to give me round trip tickets so I could be at the 40th anniversary of Two Rivers B.C.. What a blessing and a special honor it was for me to be their and preach for the special services! I have been apart of that work as a very young person since 1972. All that older generation that had come to start that biblical New Testament Baptist church in Two Rivers Alaska, have gone on to be with the Lord now, but they have left in me and many others the teaching and training in God's Word, as well as an example to follow in serving and doing mission work! Being able to see that as a teenager and being a part of that has been what has helped and prepared me for His call to be a missionary and church planter. I often feel like Jacob who said, "and have not attained of the years of the life of my fathers in the days of their pilgrimage", but I count it a great privilege and a valuable experience to have been there to see first hand God's working and leading in that work. Much of what I am and what I do is because of that great life changing experience! I praise God for his great work that I was able to see and be a part of, and also to be able continue those principles and teachings in other work for my Lord.

Annette and I recently had the blessing of having two of our grand daughters stay with us a month. It is a blessing to see how much they have grown up and to be able to have an influence in their lives. We enjoyed them very much and were sad to see them go so soon.

Please pray for Brother Hub a member of the mission work. He had heard about a young man of the community that was searching for the Lord but was searching in the wrong place and from the wrong people. We all prayed about the situation and the Spirit put it on Hub's heart to go to that young man and show him from the word of God that Jesus is God. The young man acknowledged that truth and received it. Praise the Lord! They two will be continuing studying together. Please pray with us as these studies continue. This young man's name is Abram. It is a great blessing to see those that I am teaching going and teaching others. Praise God from whom all blessing flow.

To God Be the Glory,
Tim and Annette
