

The Copley's **Missionary to the Shoshone-Bannock Nations**

Dear Church and Friends,

November 30th 2018

It has been a very productive year for us here in ID.

We had a very successful revival with bro Duane Moore and his precious family working beside us. God moved, and we have had 3 professions and one baptism.

The Thanksgiving feed was a wonderful time. Many of our ladies brought food and we fed 90 plus people. The church family pulled together and did most of the work this year. This was a great blessing to see our people grow in service.

Our Ladies were invited to attend a Banquet in Pocatello hosted by Mountain Valley Baptist Church in Pocatello. We had never been able to take a group to such an event. Mrs. Joy Winters from Mt View Baptist Church spoke to us and gave a very clear picture of salvation.

We were amazed at our attendance of "31" ladies from Faith Baptist Church. 21 of them we brought on vans. It was a wonderful night with one profession of faith amongst our group.

Each soul is a "Victory!"

"Answered Prayer"

We have prayed for two years as a church, "That God would send a man to reach the outlying areas of Pocatello, Chubbuck and Blackfoot." God has answered prayer and Sent Bro. Donald Whitecar and family to start a work in Pocatello.

We challenge our kids to give to others each year. We take up a "Christmas offering to send to a Missionary family for the children for Christmas. We decided to push the offering this year with much success. The kids love to give. We are trying to help them understand how others need to receive; and they can be a part.

Our attendance has been amazing in the past few months; with record attendance in Sunday School classes. WE are still seeing the effect of VBS.

We have had several Birthdays amongst our church family. Our ladies went together to honor Miss Anjel this year. She is quite a strong young lady. She makes sure her (4) siblings are up and dressed for the church van each service. These kids have been in the church for the past 7 years. Some of the siblings have been raised amongst us.

If you have visited us, you will know Spencer. He also has been with us 11 years.

We have snow today and are getting ready for the "Christmas Project" We plan on giving at least 150 packages this year. We are grateful to the churches and individuals who support this. It builds a good repour for Faith Baptist Church.

Keep us in prayer. Bro Joe is and will always battle the shingles in his eye we have been told. He recently had a bout with flu like symptoms. He lost between 7 - 10 lbs. in a week.

I have been placed on a new drug for my RA. Which will wipe out my immunity, however the pain has been kept under control.

Maria has been diagnosed with RA. Mya has some immunity issues.

God will win this battle. Keep us in prayer!
