NEARING THE END OF FURLOUGH

Penny and I are nearing the end of our furlough and are down to just 19 more churches to visit (At the time of my writing this letter). Since the beginning of 2018 we have been presenting our work to churches in Texas, Arkansas and Oklahoma. We have enjoyed meeting and having fellowship with God's people and presenting what God has been doing in Vietnam through this ministry. We are planning to return to Vietnam around June 20th 2018. We have mostly been going to our supporting churches, but I am proud to announce that Hope Baptist Church in Jackson, TN and Highland Baptist Church in El Reno, OK have taken us on for monthly support. We ask for your continued prayers as we finish furlough and get back home to Vietnam.

BETHEL BAPTIST MISSION HCMC, VIETNAM

I am in contact with Dao by email and he has been excited about the services the mission has been having. They have had visitors and are running 16 to 18 on average. Dao has told me that he has enjoyed making messages from the material that I gave him and really feels like he is getting to know God's word better. We are really happy to see how God has been blessing them in our absence and we and they are looking forward to our return.

THANK YOU

Penny and I would like to thank Greydene Baptist Church, Rogers Baptist Church and Hillcrest Baptist Church for sending us special love offerings to help us get back to Vietnam and to continue the work there. We are so thankful to be a part of all our supporting churches' missions programs and their vision to see the Great Commission furthered on the earth.

In Christ,
