

Vietnam Missions

There's No Place Like Home

It is hard to believe that we have already been back in Vietnam for over a month and a half. We have been busy getting American Language Services up and running again. Everyone in our church services were really happy to see us and we were happy to see them. The mission has been running between 16 and 20 people in our meetings. I am preaching on Sunday, while Dao has been preaching on Wednesday night. I can really see how he has grown in the Lord during our year long visit to the States. I can also see the people respecting and responding to him in a much deeper way. I have never been in this position before. As we have services, we are beginning to feel that they no longer need us. I know that is the goal, but it is just different when it is happening before your eyes. They are more of a family than they were before we left. We praise the Lord for all he has done and will continue to do in their hearts and lives.

Keyboard Player Wanted

While we were in the States the mission had to sing acapella. Penny has tried to train someone in the past, but was never successful. While we were gone the group saw the need to have a keyboard player once they organize and Linh has decided that the Lord would like for her to learn. Penny has begun to teach Linh on Tuesday and Thursday afternoons. This has been a matter of prayer for Penny and I for a long time and we ask that you will pray for Linh as she, Lord willing, will become the keyboard player once the mission organizes.
