February 2018

Greetings from Alaskan Missions!

We just had an awesome service this day Sunday February 25th!! One member came forward and got things right with the Lord and one of the visiting families came forward and joined our work!!! God is with us and working in our midst!! How wonderful to wait on GOD and see HIS MIGHTY HAND!!!

Pray for Bev! She had 9 kidney stones taken out and then stayed in the hospital for three days to get her blood pressure up from the low 80's. She is not sick. She was given a ringer of a particular fluid and two ringers of blood and that set things right!! She has stints in the tubes leading to the bladder that have caused her lots of grief and pain that will be taken out this Wednesday. We expect her to feel great afterwards!! Later that day we see the cancer doctor. They do check-ups every few months. At the present she is showing no signs of cancer!! My heart goes out to those, especially our friends who have this wretched disease!! Please pray for our brother in the Lord Larry Jones!!!

Still lots of snow and will be snowing again with decent temps from zero to the teens! It's still winter in the great land with solid ice covering the roads! Happy days are here with 9 hours of sun each day and gaining more rapidly!! This is awesome coming from extreme darkness and relatively low temps down to -38 below!!!

One of our visiting families is no longer coming and if they come back it will be they are sick of hearing a watered-down Gospel. The husband has been a Southern Baptist missionary in Korea who admits he knows nothing of the Bible and has heard more in our work than he ever knew and his wife is satisfied being a catholic! Please remember them!! Pray for the other two families as we are waiting on God to continue working in their hearts!

We love you all and pray God's blessings on your ministries!

Thank you for the love, prayers and support!

Bro. Gary Hampton
