Dear Pastor and Church,

The more things change, the more they stay the same. Lockdowns, restrictions, and other measures come and go but the openness of the people remains. In our normal culture, conversations with strangers are infrequent and short. We have found with Covid, people are wanting to interact with others after having been isolated for so long. Where once dog walkers would just nod at you, they now want to have a chat. Our church attendance has also maintained during the past two years and we have a number of lost people who attend regularly. We would ask prayer for these to come to the realization of their need for a saviour and to put their trust in Him.

We moved home in early December and ask that you amend your records. Prayer would be appreciated that we could find a long term housing solution. This is our 7<sup>th</sup> address here in 19 years. Each home has been nice and has met our needs but we are getting old and grumpy and tired of moving 😊. Our new address is:

6 Hendergulling  
Looe, Cornwall  
England PL13 2JT

We appreciate those who wrote and informed us they were praying for Dylan and Kent. Both have had excellent recoveries from the kidney transplant and cleared their 6 month checkups. Dylan is back to working full time and leading music in his church.

Both Andrea and Kent are doing well healthwise and are grateful for God's protection and provision all these years. We appreciate the many cards and love offerings that were sent for Christmas and treasure the friendships that we have with so many of you.

God bless!!

Kent and Andrea Gossmeyer
