Dear Brethren,

Bev is getting better! Thank you for praying on her behalf!!

On one of our trips to Russian Mission out in southwest Alaska years ago, a YUPIK ESKIMO LADY named APRIL WAS SAVED. She and her husband YAGO PITKA moved to the Bering Sea coast to the village of KOTLIK. Two years ago, some person took a rifle and killed YAGO. April went into a tailspin drunk and lost her four children. She called me around Christmas and said she was in FAIRBANKS in a treatment center. She graduated from the center and is free to go and is living in an apartment in town. We have been taking her to church. She is thankful for the Mercy of GOD! There are two more native families that attend, and they are friends with APRIL! The people in church have been Helping !! We will be doing Bible studies with her and the others.

For the past three weeks WINTER finally showed up!!! Forty below zero then 50 below all the way to 60 below has been the scene!! Today was 50 below! I had an appointment with Chevrolet to replace the radiator and heater core ON MY RAM TRUCK. Bev followed in the car! Plugging up our vehicles helped us start the vehicles!! I am thankful they started today. We moved slowly down the drive and after a bit we got on the main road. My heater was not working so to keep the windows clear to be able to see I cracked the windows to let heat from me go out instead of making ice on the windshield. It was cold but I have been colder. GOD IS ALWAYS GOOD 😊😊😊

We all stay close to the fire on days like these 😊

Please Pray for April as she reclaims her children. She has one little six-year-old girl named Agnes with her and prayerfully the other three will follow.

We are looking for things to start cracking soon!!!
