News Letter # 134 (Jan. & Feb. 2021)

March 04, 2021

Dear Pastor & Church, Greetings in our Lord's all sufficient grace.

"And call upon me in the day of trouble: I will deliver thee and thou shalt glorify me." Psalm 50: 15

This verse of the Bible is applicable to what our Lord and Savior had done when I was close to death because of the Corona Virus that hit me severely causing my lungs to become 50% out of order. Consequently then, I would like to share my testimony as follows:

On January 17, 2021 our Lord and Savior, miraculously, provided a place in a good hospital while at that time it was almost impossible to find a place in any hospital in Lebanon. My lungs got the disease & became 50% out of order. I badly needed oxygen for several days. This is besides a lot of medicines and regular treatments. I stayed 8 days in the Hospital & went back home, after recovery, on January 26, 2021. What was remarkable in the Hospital was: the Doctor who was in charge was specialist in the urine track, and I had a problem in urination. Praise and glory to the Lord our God that after few days after leaving the hospital I recovered completely. But I still need a period of time for recovering my physical strength. This is with the fact that during all the period of my illness I did not experience any serious pain agony which occur usually with many patients who got the Virus of Corona. I have experienced what the Bible says in **Psalm 4: 3 "But know that the Lord hath set apart him that is godly for himself: the Lord will hear when I call unto Him."** What a wonderful God we have!! I highly appreciate your prayers, besides the prayers of all our beloved brethren in other churches. What a blessing to have this unity among the children of God. **Our Lord restored my soul, my spirit, and my body.** Praise and glory to the Lord our God. We should always remember what the Bible says in **1Corn.1: 31 "That, according as it is written, He that glorieth, let him glory in the Lord."** What a wonderful and loving God we have!

Finally, the situation in Lebanon is going from bad to worse, the economic is very bad. As I heard at the news today: about 55 to 60% of the people are suffering need.

ACTIVITES

As mentioned in our previous letter, the massive explosion at the port of Beirut had opened the door for the gospel, many of the citizens opened the door for evangelism where we could hire a place as a center for our new evangelical activities where we could reach many individuals and families for preaching the Gospel of Salvation to the lost. What a blessing!. **Finally, let us always remember that the gates of hell shall not prevail against the church. (Mat. 16:18)**
