Dear Pastor and Church,

The only thing we can say is we had a very blessed quarter. Our lockdown here continued to drag on but the folks at church remained faithful. We even had some visitors who have returned several times despite their adamant claims of atheism. We continue to see development in our relationships with our neighbours and lost friends. Opportunities to tell of Gods blessings in our lives and to give testimony of Christ's love and sacrifice were plenteous. We ask that you continue to pray for the salvation of all those we are working with.

Most of our restrictions were lifted the third week of July and so we are adding back the few ministry tasks that we unavailable to us. We are excited about what the future holds for Liskeard Baptist Church. The Riley Barrett family should arrive next year to spend a year or two assisting here in Cornwall before settling in Manchester. The Shane Dice family is currently on deputation to join the ministry team of the Grissoms and Gossmeyers.

In April, Kent was able to participate in one of the highlights of his life so far. Some missionary friends of ours had a son who had suffered total kidney failure in 2020. Soon after, Kent felt led to volunteer to be tested to see if he was a match. Long story short, on April 29<sup>th</sup>, he donated a kidney to a young man named Dylan. Both of them have had an excellent recovery and have seen God do an amazing work. We would ask you continue to pray for Dylan and that the kidney will serve him for a long, long time.

We are grateful that God continues to let us serve Him and for the faithfulness of our supporting churches that allow us to stay in country.

All the best,

Gossmeyers
