Blessings to you in the Lord

I hope this finds you having had a Merry Christmas, & may the Lord bless you with a wonderful New Year! Thank you for your partnership in making disciples here in NYC & the greater NYC area, as well as with Unashamed for Christ.

Thank you for your prayers for the Unashamed for Christ (UC) Conference at Manhattan Bible Church (MBC). Although we did not have as many other churches participate as I hoped, God blessed in other special ways. Steve Benna, who is with UC, brought a mission's team from his church First Baptist Church of Galeton, PA. He also invited his friend, Scott, from Ohio. In addition, Sam Frey & my father-in-law Pastor Martin Holland (from our sponsor/sending church, Maranatha Baptist) travelled in & joined us. With this group, & MBC members, we went out & evangelized on Dyckman & Broadway, my favorite spot. We had a riddle, paint board, prayer station, a park to canvas, & lots of outreach material. But most of all, we went out with God's Spirit & the powerful Gospel of Jesus Christ! Over the 2 outreach days, we saw God work & souls come to Christ! In the face of Halloween, Dyckman's huge Halloween display of death, & Hamas' call for global jihad, God brought Hope & Eternal life to precious souls here instead. The Conference theme was *Hope, the Meaning of Life, & the Gospel*. A good number from MBC attended & were also very generous. On Thursday night, when church attendance was the lowest, God did something through the barbershop ministry: he brought about 20 young men. They came to play basketball, but first they heard how Christ is the Meaning of Life. It was a moving experience. That Saturday, I was blessed to see those who eagerly attended workshops taught by Steve Benna, Pastor Abraham Santana, Pastor Martin Holland, & Danny Gonzalez. Danny Gonzalez is now also officially a part of Unashamed for Christ! His testimony is such a joy, & it is a joy that I have been a part of it as well. Our keynote speakers were Pastor Harry, myself, & Sam Frey. Pastor Tom Mahairs presented video for us also. A precious minister named Jewel Jones sang. You can watch some of the content at www.UnashamedForChrist.com

I praise God that Thanksgiving weekend we also hosted a small missions team composed of young singles from Life Matters & Word of Life Bible institute. They ministered at the abortion clinic on Bleaker Street & led a lady named Mackenzie to the Lord. They blessed our church Wednesday night. They were a great witness to relatives of MBC members that generously hosted them for Thanksgiving. They helped with our Friday youth night. A young man I shared the Gospel with trusted Christ that night! Our youth ministry has improved. We now have a monthly "youth service." My sons helped with the special Transformation Life Center's Christmas event. We have made progress in ministering to the young man next door to us by bringing him to youth group & a local church in town. Victor is doing well at a residential program; please pray for his family to get rooted in the Lord as they face challenges.

Thank you also to those who made special gifts for Christmas. Shanise, as always, was very thoughtful with what gifts to share with the children. It is a blessing to see them developing in different interests & skills for God's glory. Braden has been really growing in music for the Lord, & individuals helped us to get him a new guitar for Christmas. He was surprised & delighted & told us he wanted to use it for the Lord, & for us to hold him to it! My kids came in full force for our church's first Christmas play in many years! The play was very well attended by family & friends of members.. Adrienne is growing fast: on the verge of crawling; her first tooth broke through; she is starting to eat food.

My dad had an artery 100% blocked but God looked over him, & he not only survived repeated heart attacks but is doing great! Please pray for my focus, fruit, & financial support with Unashamed for Christ to increase abundantly this year for God's glory, the saving of souls, & the good of His church. Please pray for Pastor Abraham & his family as they are on three-month sabbatical. They will be missed but I am happy for their time of refreshing. Missionary Steven Lopez has made Manhattan Bible his base church for NYC ministry: it is a blessing to have his help.

In Christ,

The Pearceys
