

Missionaries to Ukraine

Chuck & Jennifer Leonard

August 2020

Dear Brethren,

Greetings once again. We had some good meetings again this past month. It was a blessing to be with Pastor Mike Keenan and Old Paths Baptist Church in Pennsylvania. Pastor Keenan has been a faithful supporter of our work in Ukraine for over 26 years. We had a great service there and it was a blessing to see all the young people on fire for God! They are breaking ground on a new church building. Please pray for them. We also got to visit Pastor Collingwood and Bible Believers Baptist Church. Pastor Collingwood has been there 39 years at that mission minded church and they started praying for us in the early 1990's. We are grateful for their prayers and support. We are blessed to have other faithful supporting churches across the USA. In Texas, Washington State, Montana, Missouri, Michigan, Ohio, Mississippi, Arkansas, Virginia, Tennessee, Alabama, Florida, Louisiana. Supporting churches also in Germany, Italy, Romania, Canada. We have faithful individuals who send support from Colorado, Michigan, Ohio, Maryland, Tennessee, Texas, Georgia, Switzerland, and Korea! Pastor Summy and our home church have been a pillar of support for us in these days! We thank every one of you for your prayers and financial support and we pray for continued blessings for all from our heavenly Father for your love for the Lord and kindness and help to us!

We do not have our invitation from Ukraine yet for our visas. Ukraine extended the quarantine in our area until August 31st. Our flight back was for August 20th. KLM offered us a cash refund on our ticket so we took it. The government in Ukraine has been discussing the possibility of closing the borders again and our men there have told us to wait until September 1st when the government will make another announcement. At that time we should know if they can start the invitation process. U.S. citizens can travel to Ukraine with out a visa for 90 days but to stay longer and legally preach, we need the visa. Please pray for them and us.

We have been able to make some progress during this Covid-19 interruption by gathering literature to take back with us and helping our son Michael with his future. He was supposed to start 12th grade with Abeka Academy DVD program soon. Instead he went to the County College and took the entrance exam and passed it first try. Then he registered and took his GED and passed it with a high enough score that he will get some college credit for that. He fully registered the next day at the college for Electrical Engineering. He got a job at Walmart making \$700 plus every two weeks. I gave him a 2002 Chevy Blazer we had here in the States. He turns 18 on October 10th. We are loosing a hard worker in Ukraine but he will be gaining effective knowledge as a college student, have the opportunity to witness to the lost at college and be a faithful tithing member of our home church. Thank you for praying for our family!

Happy In The Work,

Chuck & Jennifer Leonard
