**Philippians 1:6** Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ:

**August – September 2020**

**Brethren,**

Hello! I hope y'all are doing well. Even within in the year we find ourselves, God is good and He is still working! I pray He shows our country and His churches mercy and grace as we trod through these opportunity-filled days.

We covered much ground in August and September! It was spent driving back and forth between Colorado, North Dakota, Illinois, and Oklahoma. We were able to reschedule all of our meetings from the shut down and even some more, praise the Lord! Every church has been filled with great fellowship and great people!

We headed home at the end of September after preaching a revival in Colorado. We did so that I could fill the pulpit while my pastor was out of town. While we were home, our previous pastor of over 15 years, Bro. Joe Mandrino went home to be with the Lord. It was hard to say good-bye to the man who has impacted my life so much. I am thankful I was home for it. I know I will see him again! Praise God for the hope we have in Christ, Amen!

I am hoping to book a few more meetings closer to home to finish up our deputation. We are looking at somewhere between January and March of 2021 to be in Brazil. We are at **86.77777** percent of our support and are looking ahead with anticipation. Our plan is to go over on a tourist visa and apply for the missionary visa upon our arrival. Please join us in praying that it all goes smoothly and we can get to 100 percent on our support.

As always, please continue to pray for me as I study Portuguese, for safety on the road, our children's schooling, for the lost in Brazil, and then that we can start getting together all that is needed to move to Brazil. God is good! My prayer is that He helps us all make the most of every moment even as crazy as they seem to be this year.

**Thank you so much for your prayers and for your faithful support!**
