Proverbs 3:5-6 Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.

January– March 2022

Brethren,

Hello, Praying Friends! I hope this update finds you well. I am sorry for the lateness of this letter. I just got back from my trip to the United States and Mexico for my dad's memorial service. It was a wonderful opportunity to share the gospel with my family who are, for the most part, Catholic. I did the graveside service where I was able to give a clear presentation of the gospel. My sisters and I were able to have several other gospel conversations with family in the few days we were in Mexico. I do hope to continue to water the seeds that were planted. Before I left, I also had the opportunity have some fellowship with some family in Oklahoma as well as families in our home church. I also filled the pulpit the Sunday before my flight home. Which is always an honor and a blessing. It was a good trip, thank you so much for your prayers.

January and February were months where we were in full stride with two Bible studies and with the meal once a month. But, sadly, we had to step away from the Bible study we had going in Sao Bras. Francisco also hasn't made it to the Bible study at the Bell's on Mondays in several weeks. I would ask you to continue to pray for him. It is disappointing, but we are praying and looking for more opportunities to share the gospel and begin more Bible studies. We also needed to discontinue the monthly meals as the Bell family has moved to another part of the city. There have been many changes and we ask that you fervently pray that the Lord would lead us and that souls would be saved and lives changed for His glory.

And just like that we have been in Brazil for a year! Praise God for his provision, grace, mercy, and faithfulness! It's been a great year of learning for our family. I think we are adjusting but I do know that will be an ongoing process. One in which will take a lifetime. With that said please continue to pray as we study the language and that we find a Portuguese class for the children this summer. We are also still looking for a vehicle and a local print shop for tracts. We have plenty on hand, but they are expensive to ship down. God is good and we are looking forward to how He directs our path here in Belém. Thank you for your support!
