Psalms 20:7 Some trust in chariots, and some in horses: but we will remember the name of the LORD our God.

August - September 2022

Brethren,

Hope you are all well. Here in Brazil, it is election month.  The first round of voting was at the start of October. There will be another vote at the end of the month because none of the presidential candidates got 51%. It is quite possible that a former president who almost went to jail for embezzlement may be the next president. Also, here in Belém, the capital city of the state of Pará, the catholic church had their annual Círio. They parade their idol from the riverfront to the big basilica. It's the first since the pandemic and they estimate 2.5 million attended. President Bolsonaro even made an appearance. It is quite sad to see.

We are continuing to pass out cards with a QR code that is linked to a good person test on our website. The parks have been flooded with people passing out leaflets for the elections, so that has impacted our distribution. We have ordered 6000 more cards and are working to see if we can have some tracks printed up. The elections have slowed that as well. The lady we are working with said that all the print shops are printing propaganda for the election. We hope to make some headway soon.

I ask that you pray for a couple of men specifically. One is named *Odinaldo*, our building manager. I have had several conversations with him concerning why we are here and so the gospel was part of that conversation. He took one of our cards and said we would have to talk more about it later. The other is *Francisco*. We had a bible study with him at the Bell's house. Chris ran into him in August at one of the parks. We have tried to meet up for bible study several times since but to no avail. It is hard to tell if he is having a hard time getting there or just being polite about wanting to study. We will keep trying and appreciate your prayers. Please continue praying for all the cards and tracts we have passed out. Lastly, please pray that we will have more contacts, personally and from the website, of people interested in studying the Bible.

Thank you for your faithful prayers and support!
