The Return of Penny

I am proud to announce that on April 6th, Penny will be returning home to Laos. She has been gone for over 5 months helping her mother in Texas. Once she arrives, we are not yet certain if she will have to quarantine for 14 days at the hospital or at our home. If it is in our home, I will have to shut down all of our classes and not attend language school since I will have to quarantine also. She took her COVID test on April 2nd to present at the airport. I want to thank all those who have been praying for our family during this time. This has been one of the hardest time in my life, but I do have a friend that sticks closer than a brother.

Pakelo, Napua and Vinh

I have had the opportunity to share my testimony to Pakelo and Napua. I believe they both understand the truth clearly, but they are both Buddhist. They have both asked me questions about the Bible. Also pray for Vietnamese friend Vinh. Vinh is A waiter at my favorite Pho restaurant (Pho Ngon). Vinh is Catholic and really enjoys talking about the Bible. We have been out for coffee twice and I have had the opportunity to share with him my testimony.

In a Wonderful Name,

Don and Penny Newland
