Kevin Pearcey – Missionary Evangelist

Greetings again my brothers and sisters in Christ,

I hope this finds you all well, "looking unto Jesus, the Author and Finisher of our Faith"! For God to confirm that salvation is in Jesus, what more could we ask for, then for God to raise Jesus from the dead in the fashion that He did? Jesus arose from the dead, appeared to many, and ascended, never to die again! He's the guy! I was able to preach a part of a series from Paul's mission in Athens in Acts 17 on Palm Sunday, April 10. And this part of Acts 17:31 just keeps ringing in my heart and on my lips as I preach open air here in Uptown Manhattan, "whereof he hath given assurance unto all men, in that he hath raised him from the dead."

April 16, the day before Resurrection Sunday, I was blessed to lead our church wide training and outreach. This included some of my kids, as well as English and Spanish church family. And my youth pastor friend Federico was able to bring a few of his youth from NJ, as well as another youth pastor friend of his. In total we were about 20-25, and had a great time sharing Christ. And our Easter Sunday's service was such a blessing, as so many people came. Praise God, a young man I had not seen for a couple years came and re-committed himself to Christ. Now he brings his uncle Felix to church: Felix used to come and serve faithfully at our church plant and was a good friend. (And - some of you prayed for Anthony's brother David years ago, and he did come back to Christ and is now in seminary! Thank you!)

May 4 – 8, Word of Life under Evangelist Sam Frey brought 210 staff and students to NYC to do city-wide (all 5 boroughs) evangelism with 15 teams all day Thursday and Friday, May 5-6. I was blessed to be able to lead one of those teams in street evangelism on Thursday and another team on Friday in our mission neighborhood, Inwood, Manhattan. Out of the 41 or so professions of faith made during the campaign, we saw 2 professions of faith. And we definitely did a lot of plowing, sowing, & watering, and I do think some others came to Christ as well. As best as WOL could track, there were approximately 2,584 souls that heard the Gospel clearly in personal conversations! So that was neat to be a part once more, especially after the wait brought on by the pandemic. I also enjoyed seeing old friends in the ministry that came to be a part also. And I also want to praise God for the excellent Word of Life Bible Institute Students I had the privilege to meet and minister alongside. Some even came to our church that Sunday, and one ministered to the youth group!

I know you see the need in our nation, and it is no less here in NYC. Unfortunately, a youth from our next door school, passed away. He was friends with many of the guys that come to YouThrive. He came at least once, but I am sad that I cannot say with any confidence that he knew the Lord, only that I know he heard the Gospel while he was there. Upon the school's invitation, I came and grieved and ministered with the youth. Please pray we get student-led Christian Discipleship groups started this coming semester in this school. Please pray for the re-grouping of our YouThrive ministry during summer break. Please pray for laborers for this precious harvest. Please pray for the Gospel and our mission and our church to go forth with God's power and God's working.

Please pray for the first conference Unashamed For Christ Ministries is officially leading. It is an apologetics and evangelism training and outreach conference, June 30 – July 2. It is hosted here by Manhattan Bible Church. It is geared for not only our church, but also for other churches and ministers of the Gospel! We do plan to livestream it on Manhattan Bible Church's Youtube Channel. More details and registration for in-person are at www.UnashamedForChrist.com. I pray God will use it to help his people to reach the lost! Also, we can now house Missions Teams here! One is coming June 27 – July 4! Let me know! Much love and gratitude.

In Christ,

The Pearceys
