"YET VERY MUCH LAND TO BE POSSESSED" Jos.13:1.

Dear

Pastor and the church,

Greetings in the name of our Lord and Saviour Jesus Christ. After spending a few weeks in Cincinnati with my home church, I attended the Rodgers Baptist Church mission conference in Garland, TX. My, it was a wonderful time to be with my old time friends, Pastors who have been so faithful in supporting us for the last 45 years. The first mission conference I attended at Rodgers was in 1974, which opened up a lot of churches for me to present the work. So, most of those churches in Dallas and Ft worth area started supporting us from 1974. Our special thanks to Pastor Ron Thomas who was kind enough to keep us in their home and given me the opportunity to preach at the conference. All the messages were so challenging to stand firm to the truth and to the Word.

After the conference we had the privilege of meeting and having lunch and fellowship with our previous Pastor and a longtime friend Bro. Charles and Janie Hays. How happy we were to meet each other after a long time. From there we came to be with my son Samuel and family in Houston. During the weekends I am visiting the churches, giving the report of the past 45 years of ministry.

We plan on continuing to visit the churches, to give a report and thank them for their faithfulness in standing with us 'holding the rope' all these years.

Me and Annie had a natural concern as to what to do and how we will be supported in our old age as both us do not qualify for Social security and Medicare. But the encouragements and many churches and pastors promising to continue the supports brings tears of joy to our hearts, reminding us that the Lord who met all our needs in the past 45 years in the field will take care of us. We appreciate all those churches and pastors for their love and encouragements.

We plan on attending the conference at the Empire Baptist Temple, SD and Broken arrow Baptist Church in OK. Both those churches have been so faithful in their supports for decades. Me and Annie both covet your prayers as we enter into a new stage in life and for the adjustments to be made. Please continue to pray that the Lord may give us good health and opportunity to serve Him in any manner He wants. I shall be available to preach, fill in pulpits share my experiences in the mission fields etc.

Once again thanking you all,

Yours in Him,

Sam and Annie (Your mission field to India for 45 years)
