Dear Pastor and church,

I bring you very sincere greetings from Ghana and pray that this meets you doing well in the Lord. We are doing just fine by His grace.

The ministry here is going on well as the Lord continues to bless us. Recently we baptized some fourteen converts the Lord has brought our way. As usual I love to take them through a bit of a study so they know they are being baptized because they are saved and not the baptism that is saving them. Sometimes you find people trusting more in their baptism than in the Lord.

Our writing ministry is going on well. We have written another tract and are getting it printed. We are printing it with others and getting them ready for our festival in October. We are aiming at giving out nothing less than 10,000 tracts and 1,000 booklets of "THE JOURNEY OF LIFE." Already we have given out a thousand of the booklets. We are printing 500 copies for the prison ministry which Bro. Ekow Ansah is heading in the central region of the country. Some of you churches have given special offerings for this printing ministry, and we are very very grateful.

Our radio ministry is also doing well. Sometimes we get some hitches at the stations but otherwise all is going well. I have some people who listen religiously and are quick to call us to ask questions on some of the messages. When a station does not broadcast when it is supposed to, they quickly call to ask why. I want to thank all of you who are giving so this ministry can go on.

Schools will be reopening in September and we will resume our ministry with the Junior High students. My greatest desire is to give them the gospel meaningfully so they can come to faith in the Saviour you and I have. Please pray for us and them.

Our new mission at Todome in the Volta region is progressing. I love the commitment of the leader here. He is one of our students of the class which meets in my house on Wednesdays. We have been able to pay for one acre of land we were offered and have a small shed on it for our meetings. Once again, we want to thank you so much for being our partners in this ministry. You pray and give to us so we can continue to reach our people. God bless you.

My family is doing quite well. The past months have seen us with good health except me, whose body is fighting some kind of infection we are not too sure of. I have had to be treated again for H. pylori infection. I guess the February treatment did not eradicate it. Senyo, our last boy, is still in college but has got a side job. Pray that he earns more so he stops asking me for pocket money.

Yours sincerely,  
Bro. Samuel, Gloria and children.
