

HORSE POLICY

LIGHTNING RANCH RV PARK

1. A negative Coggins test must be on hand during check in. This test must be within one year old.
2. Horses are not to be tied to trailer for any extended period.
3. Horses are not to be tied to RV or campground equipment (electrical pedestals, picnic tables, grills, hose bibs, etc.) of any type.
4. Horses are not to be tied to trees.
5. No Horseback Riding allowed at the Park.
6. Guests shall pick up horse manure deposited in the RV park area. This manure can be distributed in the horse pasture or other area where pedestrians do not frequent.
7. Horses can be housed overnight in the horse stalls or in your trailer. Loafing sheds are also available. You will be responsible for water and feed. Water is located at the horse stalls and loafing sheds. You need to fill water troughs and buckets, if needed.
8. No stallions allowed.
9. No barrel racing, jumping (or other event) practice on the campgrounds allowed.
10. Keep gates closed where horses are located.
11. Loud or unruly behavior will not be tolerated, this includes the owner or the horse 😊
12. Horse owners are responsible for securing your horse in the loafing sheds or stalls.
13. Lightning Ranch RV Park will not be responsible for any accidents or injury you or your horse may sustain while on premise.
14. Any damage to the campground facilities by a horse will be charged to the respective owners.
