INSTRUCTIONS

1. Remove all liquid from tank and dry out before packing. We will not accept delivery of a carton with stains or other indications of leaking chemicals.
2. Clean dirt from unit and put it in a plastic (garbage) bag.
3. Pack unit with sufficient packing materials to prevent shipping damage. Use bubble wrap or wadded newspaper. Do NOT use loose foam or packing "peanuts" (surcharge).
4. Fill in this form and put a copy inside the box, with the unit.
5. Seal the carton and ship it to:

The Fogmaster Corporation
Attn: Repair Department
1041 SW 30th Avenue
Deerfield Beach, FL 33442
6. Make sure to put your name and return address on the outside of the carton.
7. We recommend shipping via FedEx or UPS so you can track your package.
8. When we receive your unit, we will review its condition, estimate the cost to repair and contact you with a cost quotation. If you approve, you may pay by check, or Visa, MasterCard or American Express credit/debit card.
